

Part Time Job Opportunity: Market Assistant

As a California Certified Farmers Market nonprofit organization, we are on a mission to support local farmers and provide a place for the community to purchase local, farm-fresh, sustainably grown produce, specialty foods and artisan goods directly from the source. We do this by hosting the Napa Farmers Market on Saturdays (year-round) and Tuesdays (April through September) in the South Napa Century Center (movie theater) parking lot, 195 Gasser Drive in Napa.

Market Assistants work together as a three to four person team for market setup/breakdown and to support market management activities like customer service at the Information Booth, providing vendor breaks and ensuring the market setup remains safe and comfortable for customers, vendors, volunteers and staff.
