

Part Time Job Opportunity: Market Assistant

- *Do you love working outdoors in a relaxed and vibrant community environment?*
- *Are you interested in supporting our local food system and small businesses?*
- *Become a part of the Napa Farmers Market family as a Market Assistant!*

The Napa Farmers Market is Napa County’s largest California Certified Farmers Market with over 100 farmers and small business vendors. As a small nonprofit organization, we are on a mission to support local farmers and provide an inclusive place for our community to purchase local, farm-fresh, sustainably grown produce, specialty foods, and artisan goods directly from the source. We do this by hosting the Napa Farmers Market on Saturdays (year-round) and Tuesdays (April through December).

Our part-time Market Assistants work together as a three to four-person team for market setup/breakdown and to support market management activities, like customer service at the Information Booth, providing vendor breaks, and ensuring the market setup remains safe and comfortable for customers, vendors, volunteers, and staff.
