A **key element** of the Napa Farmers Market mission is to cultivate an **inclusive place** for our whole community to gather and purchase farm-fresh, sustainably grown produce, specialty foods, and artisan goods directly from the source. We are dedicated to growing a space where all people feel welcome, safe, and a sense of belonging.

The Napa Farmers Market is an anti-racist organization that values diversity, equity, inclusion, and belonging of our whole community. As an organization we will stand up against racism, homophobia, sexism, xenophobia, ableism, transphobia, ageism, classism, and all types of hate.

If you have experienced discrimination or hate at the Napa Farmers Market as a vendor, staff member, volunteer, customer, or visitor, we are available to listen and discuss appropriate action. We encourage you to talk with someone with whom you feel comfortable from our management team or board of directors.

Thank you for helping us grow a thriving farmers market for all.

Un **elemento clave** de la misión de Napa Farmers Market es cultivar un **lugar inclusivo** para que toda nuestra comunidad se junte y compre productos agrícolas frescos y cultivados de manera sostenible, alimentos especiales y productos artesanales directamente desde la fuente. Estamos dedicados a hacer crecer un espacio donde todas las personas se sientan bienvenidas, seguras y con un sentido de pertenencia.

Napa Farmers Market es una organización anti-racista que valora la diversidad, la equidad, la inclusión y la pertenencia de toda nuestra comunidad. Como organización, nos enfrentaremos al racismo, la homofobia, el sexismo, la xenofobia, el capacitismo, la transfobia, la discriminación por edad, el clasismo y todos tipos de odio.

Si usted ha experimentado discriminación u odio en Napa Farmers Market como vendedor, miembro del personal, voluntario, cliente o visitante, estamos disponibles para escucharlo y discutir las acciones apropiadas.
